Creation Care Church

Hello and welcome!

Hello Creation Care Church family! And welcome to all new members! In this quarter's newsletter, we wanted to share with you an important news story, an update on last quarter's news story, and some ways you can represent Creation Care Church.

Praise God that anti-whaling activist Paul Watson was released from Danish custody and will not be extradited to Japan to face charges related to alleged ship trespassing! We covered his arrest in our last newsletter, and it appears our prayers have been answered. You can read more about this news story [here](#).
